REBECCA LEWINGTON

for East Bay Parks Board of Directors, Ward 3

30 years of hiking and biking the East Bay's regional parks. An engineer who reads the studies, and a rider who knows the trails.

Bike-only trails where they fit. "*When different user groups have separate trails, conflicts are eliminated.*" She calls the Wildcat Canyon flow trail a model project.

Shared trails work: Crockett Hills and Fernandez Ranch prove it. **Class 1 e-bikes, yes.** E-motos confiscated.

Only Ward 3 votes on this seat: Castro Valley, Fairview, Union City, and parts of Hayward, Fremont, and San Lorenzo.
